WELCOME TO HOUSTON!

Dear Friends:

On behalf of the Lone Star Volleyball Association and the Lone Star Volleyball Classic committee, welcome to Houston!

For thirty-two years, we have welcomed our LGBTQ+ players and allies and provided a safe enviornment for our community to come together through the sport of volleyball. Like last year, we are hosting another record-breaking group of teams.

Your experience would not be possible without the tireless support from our volunteers, the LSVA Board of Directors and the generous offerings from our sponsors. Thank you all for your contributions.

Enjoy your time in Houston, and best of luck in the tournament!

THE RULES & FINE PRINT

The Lone Star Volleyball Classic will observe NAGVA Rules & Regulations during tournament play. All teams and players must be registered with NAGVA. If after pool play an individual is not registered, the individual will not be allowed to play in the elimination round. A Captains' Meeting will take place on both dates to review facility rules – see schedule of events. A Captain or Team Representative must be present for both meetings.

Pool Assignment/Play – All teams play during pool play. First matches begin at 8:00 am at the FAST Complex (B) and at Spike Sport (BB). All matches are for 45 minutes, with two 21 point rally scoring games. A five-minute warm up period is included in all matches. The score will begin at 4-4 for all 21 point matches and will play to 25 with a 27 point cap. If a tie exists at the time of expiration of a game, play continues until the next point is awarded. No timeouts are allowed after the two-minute warning. Substitutions are allowed after the two-minute warning.

Elimination Round Assignments – Assignments and identification of all divisions will be according to pool play results. Ties may be broken by (1) point differential during pool play, then (2) coin flip. Point differential is determined by total points won divided by total points played for each specific team.

Referees/Officials – NAGVA Rules & Regulations state in Section 6 that all teams must provide a certified first referee and certified scorekeeper for all matches. The rule states that if a team cannot provide a certified referee and scorekeeper, they must pay the cost of obtaining one (if available), arrange support from another team or risk forfeiting. This cost has been established at $25.00 per match per position. If a team cannot provide a first referee or scorekeeper, which is the team's responsibility, and does not pay the required fee, that team will not be able to compete at this tournament and will not receive a refund.

Number of Players – Under no circumstances may a team play with less than 6 players. If an injury occurs, NAGVA Rules & Regulations will be applied. Roster additions will not be allowed during tournament play, except for injuries and approval by tournament director(s).

Protest Committee – A protest committee will be available at both playing facilities. Details of the process and the committee will be provided at the Captains' Meetings. In order to resolve unforeseen conflicts, the committee will objectively examine the facts and render a decision as quickly as possible. All protest committee decisions are final and not subject to appeal.

THE RULES & FINE PRINT

Winners Bracket – All matches will be best 2 out of 3 games. Games 1 and 2 are 25 point rally scoring, with a 27 point cap on Games 1 and 2. Game 3 is to 15 with no point cap. Games 1 and 2 begin at 4-4. Game 3, if necessary, begins at 0-0.

Contenders Bracket – One 25 point rally scoring game, with by 2, with no point cap. The game begins at 0-0.

Player Ratings – NAGVA player rerating forms have been created to assist in identifying players whose rating needs to be examined. This form should be used primarily to identify players who are currently rated, but may need to be rerated, either up or down. Please complete the top portion of this form and return it to the Tournament Manager or the Regional Commissioner. The Regional Commissioner will complete the rerating requests as time permits.

Facility Rules - FAST Complex and Spike Sport

1. No coolers or outside food allowed in either facility. Water bottles are the only exception. Food is sold inside both gyms. No alcohol is permitted at either venue.

2. For your safety, please do not walk behind the courts with net dividers. Walk around the perimeter of courts at all times.

3. No food or drinks allowed in or around the playing areas.

4. The playing areas will be defined in the captains' meetings.

5. When contacting the ball, at least one foot must remain on the volleyball playing area.

Social Media & Tournament Communication -We will communicate with team captains and players through the following channels.

- E-mail to captains / team reps
- Facebook - NAGVA NETwork and LSVA Player NETwork pages
- LSVA Website - https://www.lonestarvolleyball.org/LSVC

PLEASE VISIT THE TOURNAMENT COMMAND CENTER AT EACH VENUE FOR ASSISTANCE.
